Your Gifts

Self-discipline

Constructive Change

Openness to Partnering & Supporting Others

Stabilizing High-risk Situations

Understanding Others' Desires, Needs & Motives

Your Challenges

Possessiveness

Stubbornness & Resistance to Change

Attachment to Accumulation, Ownership & Comfort

Doing Things The Hard Way

Questioning Past Decisions

Your "Trap"

“The goal of life is to be comfortable; I need lots of possessions to survive”

“When I finally have enough money and possessions, I will feel good about myself and can relate to others”

Your Core Needs

To have money & accumulate financial resources and material possessions to gain a sense of comfort and stability so you can begin to “really live”

Your Balance Point

~ Your Hidden Gift ~

Delving into the minds of others, uncovering secrets & investigating others' motives.

Empowering the projects and businesses of others, especially working with other people's money.

Handling crisis situations, facilitating change & growth with others.

Your Healthy Focus

“Embracing change will lead to vitality”

“When I choose energising change, I win;
when I choose the status quo, I lose”

“The alternative to change is stagnation”

“As I empower others, they recognise my worth”

“When I look deeply into others’ values and motives,
I know whom to trust”
